Club Rebrand Launch Event

43 YEARS OF COMMUNITY HISTORY

Founded in 1978 by the Greek-Cypriot community of Sydney, the club was created by a group of young men who come to Australia to start a new life. Their aim was to play the game they loved at the highest level and at the same time provide younger and future generations with guidance, hope and mentorship.

In 2021 the club has evolved it's branding and changed its name to Inner West Football Club, or as we call ourselves FChawks. We are defined by the Cypriot heritage of our founding club and the broader diversity of the Inner West community.

We are one team on and off the field both in football and in the community where everyone is welcome through their dedication, creativity and support of our club.

NEW ON FIELD COLOURS BUT WE NEVER FORGET OUR PAST!

The Club branding and colours are evolving but we are not forgetting our heritage colours of green & gold. These will still be there in our socks (green) and off field jackets (yellow shoulders). This will add a splash of colour onto our all black home kit and away white shirts.

You're invited!

Stanmore Hawks FC is founded on its values of Professionalism, Respect and Inclusiveness. Our mission is to foster a friendly, constructive and all-inclusive environment for the personal and professional development of all players, partners and families.

We work hard to provide opportunities to assist the wider community.
